

SCORE Workshops at Midpoint Campus Center

In collaboration with SCORE, Medina County Economic Development Corporation and the Medina Chamber of Commerce, we are excited to present a series of SCORE Workshops at MCUC and Midpoint Campus Center.

SCORE, a resource partner of the SBA, is a nonprofit group of experienced active/retired executives and business owners. These individuals provide free counseling, mentoring and workshops to entrepreneurs, existing businesses - both profit and nonprofit - and the academic community.

In Medina County, SCORE counsels and presents workshops at various locations, including MCUC and Midpoint, the Medina County Economic Development Corporation, clients' businesses and other convenient locations.

SCORE is an effective source of free, confidential and quality small business advice and educational workshops.

SCORE counselors are individuals who have/had successful careers in major corporations or managing their own enterprises and volunteer with SCORE to help new businesses start and existing businesses grow and prosper.

"We teach new dogs old tricks" characterizes the underlying theme of the counselors' dedication to helping small business owners become successful. SCORE volunteers contribute over 10,000 hours annually.

All workshops are free but do require registration. Please visit www.uakron.edu/mcuc/nc or call (330) 721-2210 to register.

Dates (All sessions begin at 5:30 p.m. and end at 8:30 p.m.)

- August 3, 2011 – Business Basics
